Awards

Alumni Scholarship and Grant Endowment Fund Awards. Supervised by the Alumni Council, an Alumni Scholarship and Grant Endowment Fund generates interest which is given as scholarships in minimum amounts of \$500 without regard to financial need. The members of the academic departments involved annually select an outstanding freshman, sophomore, or junior student (or, in rare circumstances, an outstanding applicant) enrolled in their disciplines and deemed most deserving of academic recognition.

The Education Department has chosen to name their Alumni Scholarship Award "The J.D. 'Jack' Willetts Scholarship Award," in memory of this former president of the Cedarville Alumni Association and member of the Class of 1958.

Biblical Education Department

The David G. Canine Award. This endowed award was established by the family of Rev. David Canine to recognize his devotion to the ministry of the Gospel. It is presented annually to a graduating senior who is selected by the members of the department who consider criteria including potential for successful ministry, acceptance by Dallas Seminary, and exemplary fulfillment of the Cedarville College requirements.

gratitude for the life and educational ministry of General Autio's mother, Arline Littleton Autio.

Health and Physical Education Department

The June F. Kearney Scholar-Athlete Award. This award is given annually to the woman athlete with the highest cumulative GPA based on at least 45 credit hours at Cedarville College. It is given in honor of Dr. Kearney's 20 years of dedication and commitment to both academic and athletic excellence at Cedarville College from 1962 to 1982.

The Dr. and Mrs. Duane R. Wood Award. This endowed annual award is granted to a full-time student who will be at least a sophomore with a 3.25 or higher grade point average, who has evidenced Christian character, leadership on campus, academic achievement, and varsity athletic performance. A student who receives the award will be a repeat recipient until graduation provided the criteria continues to be met. The selection committee is the Academic Vice President, the Vice President for Student Services, and the Athletic Director.

Language and Literature Department

Music Department

The John E. Kohl Music Award. This annual award of \$100 for excellence is granted to a deserving junior majoring in music. A plaque is given in recognition of excellence in musical scholarship, musical performance, and Christian service through music. This memorial has been provided by Robert Trombley. Selection is made by the faculty of the department.

Faculty Music Award. The faculty music award is presented to the freshman music major who has best demonstrated excellence in academics, musicianship, and Christian character. Selection is made by the faculty of the Department of Music.

The Rietveld Fine Arts Award. This award, established by Mr. and Mrs. Floyd Rietveld, is given annually to the junior or senior demonstrating consistent and outstanding ability and development in one of more areas of the fine arts (music, drama, communication arts, and broadcasting.) Criteria for selection include classroom excellence, performance abilities, leadership qualities, and evidence of a life dedicated to serving and honoring the Lord Jesus Christ. The Academic Vice President and respective department chairmen make the annual selection.

Nursing Department

The Pat Yoder Amstutz Nursing Award. This endowed annual award of at least \$300 is granted to a deserving junior majoring in nursing and has been provided by Mr. and Mrs. Myron E. Amstutz. Selection is made by members of the nursing faculty.

The Taylor Scholarship Award. Established in honor of Ruel B. and M. Ethel Taylor by their children and grandchildren, this scholarship award is granted to full-time students pursuing a degree in nursing and having completed the junior year. Recipients are selected by the nursing faculty. The recipient shall be in the top 10% of the nursing class, should demonstrate financial need, be committed to honoring and serving the Lord and Savior Jesus Christ, and be an excellent prospect for a successful career in nursing. The scholarship amount will be credited directly to the student's account and used exclusively for normal educational expenses.

Psychology Department

The Alton R. Brown Psychology Award. This award will be given annually to two junior students majoring in psychology or behavioral science. Criteria for the award include an overall grade point average of 3.25 with a minimum of twenty-four hours completed in psychology at Cedarville College, a commitment to psychology, and evidence shown in personal, interpersonal, and spiritual development. Established by the faculty women of Cedarville College in appreciation of the years of loyal and devoted service which the Jeremiahs have given to the college, its students, its faculty and staff. Its purpose is to provide an annual scholarship to an eligible woman student selected by the scholarship committee.

The Dean's Honor List

Until final awards are announced at Commencement, the highest academic honor possible to attain at Cedarville College is to be included on the Dean's Honor List. This list of high-ranking students is published at the end of each regular quarter.

The requirements of the Dean's Honor List are:

1. A student must have a 3.75 grade point average for the quarter.
2. A student must have no grade for the quarter lower than a "B."
3. A student must carry a minimum of 12 quarter hours, excluding "CR" hours. Exceptions are made for those enrolled in field experiences or internships granting CR/No Credit and those who carry at least two courses.
4. A student must complete every course he is taking by the end of the quarter when grades are turned in by the faculty. Any grade of "Incomplete" will preclude a student's candidacy for the Dean's Honor List.

The Academic Regalia

The colorful academic regalia dates from the Middle Ages when European universities took form. Academic costume has been in use in the United States since colonial times and is traditionally used for graduation convocations. An intercollegiate commission was formed which established the following standard of uniformity for caps, gowns, and hoods.

The standard cap is mortarboard. The tassel color indicates the subject field.

Yellow - science, mathematics

Drab - commerce

Sage Green - physical education

Light Blue - education

Pink - music

Dark Brown - fine arts

White - arts, letters, language, history

Apricot - nursing

Scarlet - religion

Dark Crimson - humanities

Gold - Doctor of Philosophy, Doctor of Education, Doctor of Theology,
Doctor of Arts (some of the doctors have large, metallic tassels)

The length of the hood and the width of the velvet indicates the level of the degree. The doctor's hood is quite long, has two tails, and has a five-inch wide velvet. The master's hood is shorter than the doctor's and has a three-inch wide velvet. The bachelor's hood is shorter yet and has a two-inch wide velvet. The color of the velvet indicates the field of study. Blue velvet indicates the doctoral degrees. The dark brown velvet indicates the Master of Arts degree. White velvet indicates the Bachelor of Arts or the Master of Arts degree. Scarlet velvet indicates the Bachelor of Divinity degree or the Master of Divinity degree. Yellow indicates the Bachelor of Science degree. The colors in the lining of the hood are the university colors.

The gown's traditional color is black. The distinguishing feature of the master's gown is the tippet sleeve. The doctor's gown has two distinguishing features. It is cut much fuller than the bachelor's or the master's gown and has velvet panels on the sleeves, around the neck, and down the front. These panels may be black or the color which symbolizes the subject field in which the degree was earned.
